Harvest Supper

A big thank you to all who helped to make this year's Harvest Supper such a great success. Many thanks to the organisers, all those who provide the delicious supper and the fresh produce (- not to mention the carrots!) as well as to all who attended the celebration. Over £200 was raised for the Church and it was wonderful to have this lovely aspect of the village reinstated after its short absence.

PARISH COUNCIL

KATH FRANKLAND

Playing Field

The recent inspection of the Playing Field by the Royal Society for the Prevention of Accidents has revealed no major hazards. We are aware of the problem with nettles on the slide mound and hope to get rid of them as soon as possible, or, at least, before next season.

Could we also remind people that dogs are not allowed on the Playing Field.

Grass Tipping

It has been brought to our notice that grass cuttings etc. are being dumped on the grass verge in the vicinity of Peter's Lane. This causes problems for mowing of the verges when the cuttings rot. Our brown bins are provided for such vegetation.

Parish Clerk

Our Parish Clerk, Mr. Stan Turner, has resigned. He has held the post since 1996 and we would like to take this opportunity to thank him publicly for his work during this time, and to wish him well in the future.

We are also happy to announce that Jane Jones has kindly accepted the post and will take over on 1st October.

Landfill Site

I spoke to the Environment Agency on 17th September to request an update on the situation with regard to the flies. The officer visited the site on Friday 13th September and had found little evidence of flies. However, the spraying is continuing and the site will be closely monitored by the agency.
