Please come for some good food and relaxed
atmosphere with others from our community.
All are welcome.*

Church News

Annual Parochial Church Council was held on the 30th March and Dave Keir and Jackie Anstice were elected Church Wardens. Many thanks to them for their work for the Church. Dave was busy last year painting the porch gate and oiling the font cover as well as keeping the path weed free. It all looks so much better. Thank you Dave.

Art and Craft Exhibition and Open Gardens. Many thanks to all who have helped with this weekend. So many people give their services, cooking, manning the Church and the Village Hall and gardens. It is much appreciated. Total raised will be in the next newsletter.

Christian Aid. Again, the amount raised will be in the next Newsletter but thanks to all who gave and all who collected and to Jane Hensman for the organisation of the street collection.

Thank You

I would like to thank all those who attended the funeral of Eddie Deacon and for the flowers and many cards. Also thank you for the donations to the Northampton Association for the Blind. Special thanks to Angie Farmer, Joan Randell and Jackie Partridge. It was all very much appreciated.

Edith Deacon and her family

Parish Council News

Chairman: Mr Eugene O'Leary, 5, Back Lane. Tel: 881084

Chairman Vice: Mrs Pam Long, Orchard House, West End. Tel: 881940

Mrs Margaret Vinton, The Old House, East End Tel: 880359

Clerk: Miss Alicia Schofield, 2 Paddocks Close, Walgrave Tel: 780192

Website: www.parish-council.com/scaldwell

The Parish Council AGM was held on Wednesday May 20th along with the Annual Parish Meeting. Eugene O'Leary was appointed as Chairman with Pam Long as Vice Chairman. The current Councillors have one year remaining of their four year term, at which point, an election will be held if there are sufficient nominees.

Our Annual Report is included with this Newsletter along with a brief summary of our Annual Accounts. If anyone would like to view the full accounts these are available on our website, at the Brixworth Library or by contacting the Clerk.

Northants Police are currently recruiting volunteers as Special Constables – if you would like further information please contact them by e-mail :- specialsrecruitment@northants.pnn.police.uk or Tel:- 101 ext 341944 or look at their website www.northants.polic.uk/specials.

Please could we remind all motorists to slow down as they drive through the village - the number of speeding cars is a huge concern to the Parish Council .

A working party has been set up to explore the possibility of superfast broadband in the village – this includes several parish council members along with Phil Purcell and Martin Neale. A public presentation was given by the two companies offering to provide this service (BT Openreach and Gigaclear) on May 28th and a factsheet based on the information they have provided along with a preference form will soon be circulated to all households.

We would urge all parishioners to return the completed forms to us – as we need to gauge the opinion of the village as a whole before any further steps are taken.

Once we have collated the information we received from these forms, we shall publish the results on our website and on the village notice board.

The next Parish Council meeting will be held in the Village Hall at 7.30pm on Wednesday July 15th all parishioners are welcome to attend.

FRIENDS OF SCALDWELL PLAYING FIELD

MANY HANDS MAKE LIGHT WORK!**

NEWS FROM SCALDWELL CLUB

In May we held our first "Kids Meal". Bangers and Mash and Fish Fingers and Chips accompanied by beans were on offer as the main with Ice Lollies and Choc Ices for pudding. The event was very well supported and it was lovely seeing so many children, (many adults enjoyed it too). Huge thanks to Pete Barfoot for the "Play your Cards Right" game, which almost raised the roof with the children's laughter. Also thank you goes to Ray Archer for donating the beautiful homemade sausages, everyone was coming back for seconds. Thank you Ray. The Club hopes to do a similar event in the future.

We are also planning a French foodie evening on 11th July and a Picnic on the Green in late August/early September. Please watch out for the flyers.

Applications should be made to the Clerk, Sue Dodds-Smith, 881950

We have one vacant allotment should anyone be interested.

Scaldwell Charity

Please remember that the Scaldwell Charity gives grants for educational purposes. Applications should be made to June Keir Stile Cottage, School Lane, Scaldwell.

Reply given to a checkout assistance by a lady of a certain age when castigated for asking for a plastic bag. "They are NOT green. They are NOT good for the environment and your generation has ruined the planet for our generation." The lady replied:-

"I'm sorry... we didn't have that 'green thing' in my day. The reply was "that's why were in the mess we are in.

Again the lady replied. No what I meant was we didn't call it that. Actually we didn't call it anything, but I can tell you what we did.

We returned glass bottle to the store for a few pennies and they were used again, same with milk bottles. We washed them and left them for collection. I believe that is what you would call 'recycling' today but no, we didn't have that 'green thing'.

Our school textbooks lasted a very long time because we had to make covers out of old brown paper or wallpaper for them so we could write our names and class numbers on the front without damaging the originals

We didn't have disposable nappies we had cloth ones, and washed them and used them again and again. Oh, and we didn't dry them in electricity guzzling machines. We pegged them out on a line to dry in the breeze. We walked up and down stairs because most stores and offices didn't have escalators. When we packaged a fragile item for posting we cushioned it with screwed-up newspapers, not Styrofoam or plastic bubble-wrap. But we didn't have this 'green thing'.

Our men replaced a blunt razor with a fresh blade. They didn't throw the whole thing away and pull a new one from a plastic-wrapped multiple pack. Oh, and they cut the lawn with a hand-pushed mower, not one that uses petrol or electricity. And if they got thirsty they drank from a tap or a fountain not a plastic bottle they'd dump when it was empty. But our men didn't have that 'green thing'

We refilled pens with ink. We didn't discard them when they ran dry and we discovered restaurants, hotels and cafes without having to use electricity to consult a satellite 23,000 miles up in space sent there on a massive rocket-fuelled, energy-guzzling rocket, but we didn't have this 'green thing'."
