The Annual Meeting of the Parish Council will take place in the Village Hall on Wednesday May 5<sup>th</sup> at 7 pm. This will be followed by the Annual Parish Meeting at 7.45 pm, when we shall be hearing reports from all the different village organisations. This is a very informative evening, and we invite all parishioners to attend. The playing field committee will be presenting some ideas for the development of the playing field, but we would encourage as many people as possible to be present, as we want to ensure that the future schemes represent the wishes of the whole village.

The Village Hall will once again be used as a Polling Station in the upcoming National and Local elections on May 6<sup>th</sup>. Please exercise your democratic rights and remember to vote!

If you are aware of any problems on the roads or pavements, please would you report them directly to the Street Doctor on 0845 6011113 or by e-mail to [streetdoctor@northamptonshire.gov.uk](mailto:streetdoctor@northamptonshire.gov.uk).

Once again, we must apologise for the failure of the Church clock. We have been let down badly by the service company, and are now having to find an alternative, in the hope that they will provide a much better service.

## Playing Field Community Group

As good news travels fast ...you may already know that the community group have had an offer of just under £50k of funding from Playbuilder via Northamptonshire County Council. We are all delighted with the news and are presently working on the requirements of the contract to enable us to move the plans forward.

In the coming months there will be opportunities to feed in further ideas to the 'wish list' formed at previous playing field events and to view draft plans once developed.

### **Recycling**

Mobile phones and ink cartridges are still trickling in, a big Thank You to those who have donated. Should you need any further envelopes please contact Lorraine on 881353.

### **Bra Recycling-give us your support**

Bras are costly and difficult to manufacture, which can result in short supply in developing countries. BCR Global Textiles collect the old bras from the bra banks and sort them into different grades of textiles to ensure that the best use is made of all textiles when recycled or distributed worldwide. We have a pink box located in the village hall ready to receive donations. **Thank you for your support and Happy Recycling!**
