12th/14th October.

HARVEST FESTIVAL WEEKEND - Congratulations to Christopher Palmer-Jeffrey and Annie Robinson who are having their marriage blessed in our church on the Saturday afternoon and 3.30pm. The church is being decorated on their behalf on the Friday evening, the font and the side windows will be free for us to decorate on the Saturday morning. We would much appreciate all produce for the Festival to be delivered to the church on Saturday morning. Thank you in advance. The harvest has been good this year and as the church will be full to capacity for the Blessing we would very much appreciate a full church once again on the Sunday morning at 10.30 a.m. for the Family Service, so children bring your parents and parents bring your children. It will be a good opportunity to meet Father Geoffrey.

Committee meeting to be held this coming week to establish the exact amount. Thanks to those who ran, the bar, the barbecue and cooked or assembled the beautiful and delicious puds. Many, many thanks to Margaret and the choir who performed with their usual excellence. COPY FOR THE NEXT ISSUE TO CHRIS NASH, Cobblers Cottage, East End, no later than Tuesday 26th November. It is important for the editor to receive items well before the 1st of the next month as the newsletter has to be typed and printed and this takes at least two days, more in the weekend intervenes, and then the distributors need time for their important task to get the copies out as close to the 1st of the month as possible. Ed. THANKS.
