Christian Aid

Many thanks to all who contributed to Christian Aid. We don't have a total at the moment but will give it in the next Newsletter.

Art and Craft Exhibition and Open Gardens.

The weekend event commences with a Salmon Supper in the Village Hall. 7.30 pm for 8.00pm and tickets are £10 and available from David Keir, Gwen England and Christopher Angeloglou.

The Exhibition and Gardens will be held on the 13th and 14th June so we hope that the weather will be kind to us. Opening hours are 11.30am to 4.30pm so lots of chances to visit the Art and Craft Exhibition in the Church (entrance free) and to look at the gardens. £3.00 entrance fee paid in the first garden you visit (children free) will give

you access to all the gardens. There will also be a children's quiz and teas will be served in the Village Hall.

SCALDWELL'S POPPY FIELD

Did you see the gorgeous display of red poppies in the field off the junction of Holcot Lane and the High Street last year? Would you like the opportunity to own a picture of them?

Several local photographers have kindly agreed to donate copies of their photos to be raffled in aid of Church Funds, during the weekend of the Art Exhibition. The prints will be in A4 format, mounted but not framed.

The photos will be on display in the Village Hall on Friday evening, 12th June, to enable those attending the Salmon Supper to see and on Saturday and Sunday, when teas will be served. EXCITING NEW CLASS IN THE VILLAGE HALL

Lorraine from The Old Coach House has qualified

to teach Pilates and is running a class from the Village Hall on Monday evenings from 7.30pm - 8.30pm.

In order to get the class off to a flying start Lorraine is offering the first 10 villagers their first class free! So please phone to book your space: Tel 01604 889633 or 07976 529 414.

Lorraine is hoping to make this her fulltime business offering personal or group training if required.

Pilates is a method which works the 'core muscles' which you may have heard of before. Essentially these muscles are the ones that you use to give the body its stability, flexibility and strength. If you suffer with a 'bad' back, poor posture, weak abdominals or pelvic floor, inflexibility or headaches that just won't go away, then Lorraine may be able to help.

Dear Friends and Villagers

In September next year I will be travelling to Peru and joining in a 10 day trek to the ancient site of Machu Picchu in order to raise funds for Kidney Research. Part of the challenge is to raise 'sponsorship' in order to go and whilst I will be part funding this trip personally I still need to raise somewhere in the region of £2,000.00 pounds!!

I have various 'events' planned ranging from a pamper evening, selling raffle tickets, a black tie dinner and disco with a promise auction, a 'funky band evening' with food and Neil offering to shave his hair off!! Mad or what? You'll be pleased to know that these will not all take place in Scaldwell and will take a whole year to do but, if anyone could support me on my journey I would be very grateful! For more information please feel free to visit my fundraising page www.kidneyresearchukevents.org/patrick/ or failing that do not hesitate to give me a call 882143 or knock on the door at number 5 East End.

Thank you
