The Parish Council met on Wednesday July 20<sup>th</sup> and among the issues raised was that of superfast broadband. As you may know, Gigaclear mail-dropped the village earlier in the month saying they were starting work. We have been in communication with Gigaclear and are arranging a meeting with the project manager, hopefully early in August, to ascertain a clearer picture of when they will be starting and the possible disruption that this may cause. We will be asking Gigaclear to keep us informed of their progress and plans.

Brixworth council is offering a free copy of the 'Brixworth Bulletin', published quarterly, to every house in the village, but distribution will be down to us. If anyone is willing to help us distribute the magazine then please contact the Clerk. Staying with Brixworth, their Parish Council has recently had their Neighbourhood Plan challenged. This may have an effect on Scaldwell due to possible extension of areas of land for potential development. If you wish to read more on this then please visit <https://www.daventrydc.gov.uk/living/planning-policy/neighbourhood-planning/brixworth/> Scaldwell Parish Council responded to the Plan at an earlier stage and this has been noted.

The Parish Council discussed the purchase of a defibrillator for the village. We are in the early stages of such discussions and would like to extend our warm thanks to Angie Tyler for the help and advice she is giving to council.

We would also like to thank Dylan Lewis for the continuing advice and help he is giving to the council on tree issues and conservation within the village. A thank you also goes to Midland Scaffolding for the regular grass cutting they carry out, voluntarily, at the Brixworth edge of the village.

Earlier this week, two Councillors walked the public footpaths around the village to repair any damaged or lost signage and were very impressed with the specific enhancements to the stiles on the path to Old leaving from School Lane and also the new stile towards Holcott Lane from East End. The Parish Council would like to thank whoever is responsible for these new stiles and walkways.

The Parish Council is hoping to co-opt two new Councillors at the meeting in November. We would therefore encourage anyone who is interested in becoming a Councillor to come along to our next meeting (Sept 21st) to see what is involved. Alternatively, you can speak to our Clerk or any of the Councillors for more information. The next Parish Council meeting will be on Wednesday 21<sup>st</sup> September 2016 at 7.30pm in the Village Hall. All parishioners are most welcome to attend.

## **Annual Sponsored Ride and Stride – 10<sup>th</sup> September 2016**

Northamptonshire has a remarkable array of medieval churches, as well as many fine churches and chapels from later centuries. As John Betjeman described it: "Northampton above all counties has variety, originality and elegance in its architecture." There is hardly a medieval church in the county that is without beautiful stonework, and, of course, those soaring spires.

Northamptonshire Historic Churches Trust (NHCT) is celebrating its 60<sup>th</sup> birthday this year. It exists to make grants for the care of churches in Northamptonshire. It is part of a network of independent trusts in each county, which together lobby nationally for our unique heritage of places of worship.

The Annual Sponsored Ride and Stride provides an opportunity to raise money for your church, play your part in helping to preserve the heritage of churches in Northamptonshire and to enjoy the fellowship of other riders and striders.

Plan your own route from church to church; over 350 churches and chapels in Northamptonshire will be open to visit with a warm welcome and refreshments at many. All sponsorship money received will be divided equally between the NHCT and the church or chapel chosen by the participant. Sponsorship forms and a list of open churches and chapels are available from Sue Dodds-Smith (881950)

## News from Scaldwell Club

The Committee would like to welcome David Keir as a new co-opted member of the committee having been unanimously approved at the last Committee meeting. David has looked after cleaning of the beer pipes and the smooth running of the cellar for a number of years and will be a valued member of the committee.

With the Rio Olympics about to start and accepting that Rio is currently four hours behind the UK, the Club committee is open to the possible idea of changing the opening time of the bar in the evenings on our usual opening days (Thursday, Friday and Saturday) to allow people to watch the games on the TV in the bar and enjoy a drink at the same time. The committee does not know the TV schedule for the games, but if anyone is interested, please contact a member of the committee over the next couple of weeks.

There are a number of events organised by the Scaldwell Club committee over the coming months:

'Picnic on the Green' on Saturday 27<sup>th</sup> August from 2.00pm until late. As usual there will be music entertainment during the afternoon and evening, the bar will be run from the club and you are invited to bring your own picnics. The club committee has been granted permission to close part of School Lane adjacent to the bus stop to ensure safety of those on the green but the remainder of School Lane will remain open allowing access to all residents of that area. Flyers will be circulated around the village in the next couple of weeks with more details.

'A Snail Race Evening' has been organised in the village hall on Saturday 8<sup>th</sup> October from 7.30pm. Back by popular demand the club committee has arranged a Snail Race Evening to raise funds to support the annual Firework Display. More details will be circulated on flyers nearer the time but if you would like to become an owner of a snail in the race or sponsor one of the races, please talk to one of the committee members.

### 'Firework Night on Saturday 5<sup>th</sup> November

More details will be circulated on flyers nearer the time.

## NEIGHBOURHOOD WATCH

**With summer holidays fast approaching**, individuals are often more exposed to travel booking frauds when looking for last minute package deals / cheap flights. Whether paying upfront for a family holiday or simply booking a flight, payments are transferred only to discover that the holiday / airline ticket does not exist and was sold to you by a bogus travel company. Fraudsters will often lure in potential customers with low prices and 'one time only' offers that are simply too good to pass up, requesting payment by the preferred method of direct bank transfer.

### **Avoid**

Paying for a holiday / airline tickets / accommodation via direct bank transfer. No reputable company will ever request payment via this method.

Responding to unsolicited calls, texts or emails offering holidays at incredibly low prices.

### **Protect Yourself**

- Whenever possible, pay for your holiday by credit card as it offers increased protection.
- Always remember to look for the 'https' and locked padlock icon in the address bar before entering your payment details.
- Never feel pressured to make a booking for fear that you will miss out on this 'low price' opportunity. If you have never used the company before, take your time to do some online research to ensure they are reputable.
- Should you make a flight or hotel booking through a travel company, feel free to separately check with the hotel / particular airline that your booking does indeed exist.

If you have been affected by this, or any other scam, report it to Action Fraud by calling 0300 123 2040, or visiting [www.actionfraud.police.uk](http://www.actionfraud.police.uk)

**A new phishing campaign which has hit students of UK universities** claims that the student has been awarded an educational grant by the Department for Education. The email purports to have come from the finance department of the student's university and tricks the recipient into clicking on a link contained in the message to provide personal and banking details.

One victim reported that after submitting their sensitive information (including name, address, date of birth, contact details, telephone provider, bank account details, student ID, National Insurance Number, driving licence number and mother's maiden name), they were taken to a spoofed website which appeared like a genuine website of their bank, where they were asked to type in their online banking login credentials.

### **Protect Yourself:**

- Do not click on any links or open attachments contained within unsolicited emails.
- Do not reply to scam emails or contact the senders in any way.
- If an email appears to have come from a person or organisation you know of but the message is unexpected or unusual, contact them directly via another method to confirm that they sent you the email.
- If you receive an email which asks you to login to an online account via a link provided in the email, instead of clicking on the link, open your browser and go directly to the company's website yourself.
- If you have clicked on a link in the email, do not supply any information on the website that may open.
