**CHRISTIAN AID**

Thank you to everyone who so kindly contributed to the Christian Aid collection. We raised a total of £387.13. The Gift Aid forms totalled £142, which will result in a Tax Refund from Inland Revenue of £35.50, thus raising the total to £422.63

I would like to thank my Volunteers collectors, Sue Dodds-Smith, Joan Randall, Tom Joyner, June & David Keir and, in particular, Pauline Judge who not only helped in the distribution and collection of the envelopes but also assisted me in counting the money collected.

The Parish Council met on Wednesday 7<sup>th</sup> July when approval was given to release funds for work on the playing field, which is anticipated to start in September, after the schools have returned. The council also agreed a request from the Village Club Committee to hold the summer party/fete on the playing field, pending insurance cover.

Council would like to thank all who gave up their time to take part in the Tidy Up morning on the Playing Field. It was very much appreciated.

As tempting as it is to get out on these balmy summer evenings, council would really appreciate it if villagers did not use the playing field as an extension for their private parties.

Council agreed a number of amendments to the financial regulations which can be found on the draft minutes.

Gerry Howe from Stabilised Pavements Ltd (SPL) would like to install a bench outside his offices on the High Street and donate it to the village, with a plaque of our choosing. Any suggestions as to what should go on the plaque would be appreciated, just let any councillor or the clerk know.

Cllr Purcell would like to know if anyone would be interested in coordinating the Daventry led Dog Mess monitoring scheme for the village known as the "Paint Means Poo" campaign this year?

The next Parish Council meeting will be held on Wednesday 20<sup>th</sup> September at 7.30 pm in the village Hall. All parishioners are most welcome to attend.

### **Northampton Historic Churches Trust - Annual Sponsored Ride and Stride – 9<sup>th</sup> September 2017**

Northamptonshire has a remarkable array of medieval churches, as well as many fine churches and chapels from later centuries. As John Betjeman described it: "Northampton above all counties has variety, originality and elegance in its architecture." There is hardly a medieval church in the county that is without beautiful stonework, and, of course, those soaring spires.

The Annual Sponsored Ride and Stride provides an opportunity to raise money for your church, play your part in helping to preserve the heritage of churches in Northamptonshire and to enjoy the fellowship of other riders and striders.

Plan your own route from church to church; over 350 churches and chapels in Northamptonshire will be open to visit with a warm welcome and refreshments at many. All sponsorship money received will be divided equally between the NHCT and the church or chapel chosen by the participant. Sponsorship forms and a list of open churches and chapels are available from Sue Dodds-Smith (881950)

**THIS YEAR THE NORTHAMPTONSHIRE HISTORIC CHURCHES TRUST HAS GIVEN OUR CHURCH A GRANT OF £4,000 TO HELP WITH THE REPAIRS. FOR MANY YEARS THEY HAVE SUPPORTED OUR EFFORTS TO RAISE MONEY FOR CHURCH REPAIRS**

## News from Scaldwell Club

It has been a busy couple of months at The Club since the last newsletter. A new large fridge with ice making facilities has been installed, which has increased the enjoyment of Gin and Tonics enormously!

**PARTY IN THE PARK** : A summer family event has been planned to take place on the playing field on Saturday 19<sup>th</sup> August. The event, which will be a FREE event will start at 3pm with fun activities for children. There will be a licensed bar and from 4.30pm there will be live music provided by a local youth band and in the evening more live music from another local band K3. This promises to be an excellent event so please come along and invite some family and friends too. Look out for more details on the Village Website [scaldwellvillage.org](http://scaldwellvillage.org)

**QUIZ NIGHT**: A quiz night will be held in the village hall on Saturday 23<sup>rd</sup> September. This always proves to be a popular and fun event, so make a note of the date now and more details will follow nearer the time.

Don't forget the bar is open to all village residents on Thursday, Friday and Saturday evenings and Sunday lunchtimes, staffed by our excellent team of volunteer bar staff. A warm welcome awaits.....

**LAST DAY FOR CONTRIBUTIONS FOR OCT/NOV NEWSLETTER 20<sup>TH</sup> SEPTEMBER**

Some time ago an article appeared in the Newsletter regarding the ironstone company that used to operate on the outskirts of the village. It mentioned the train that was used on the site and which was called "Scaldwell" Below is an update on what has been happening to the engine.

Peckett 0-6-0ST "Scaldwell" of 1913

Works Number 1316, built at Atlas Works, Bristol, for the Lamport Ironstone Company, Northampton

The Trust is very pleased to announce that we have become the owners of a remarkably-complete three-foot-gauge steam locomotive. "Scaldwell" has been part of the Amberley Museum for many years, but no longer fits into their collection (as their onsite railway is two-foot-gauge): Amberley contacted the Trust to see if we wished to be shortlisted as potential future owners. We were then chosen to receive this important asset, which is a tribute to our growing reputation within the heritage railway movement: we are very grateful for the confidence in us shown by the Amberley Museum.

Although the locomotive is not, of course, a Sharp Stewart, and differs in design from our own locomotives, it has its own history, being a very rare genuine Bristol-built three-foot-gauge locomotive, which worked in the essential ironstone industry during the First World War. It is considerably more powerful than the SR's 'Sharpies'.

As it has been in the open for some years, it has quite a bit of superficial rust and damage – but the basics are good, as far as we can ascertain: Peckett had a reputation for over-engineering their products. It is remarkably complete, with almost all its fittings intact – and the locomotive even comes with a spare set of unused wheels and axles!

SRT will need to raise funds to transport "Scaldwell" to Suffolk: it is hoped that the Membership will be able to provide these. If we don't quite make it, donations from non-members will be sought. The first stage after transport will be to stop further deterioration. After that, we will cosmetically restore it for display at our new railway attraction in Southwold: volunteers are capable of doing this work. In the longer term, we plan to restore it to working order, and will be establishing a fund for that purpose: grant aid may well be possible, as this locomotive has historic importance.
