Stalls on The Green

Many thanks for the donations of cakes, produce, plants, china, bric a brac and books. We made £223.53. A BIG THANK YOU TO JONATHAN AND GREG PURCELL (and Henrietta) for the £27.03 they made on their drinks and home made cakes and biscuits. Also thanks to Brian for

all his help. The two sessions (May and September) raised over £500.00 for Church Funds.

Reverend Karen Jongman invites you to talk about Confirmation on Thursday 6th October between 6.00pm and 9.00pm at the Rectory, Walgrave or telephone on 781974.

Harvest Festival

Our Harvest Festival will be held on 16th October. During this service Bibles will be presented to children of the village who have reached 11 years of age. Why not come along and join our Service of Thanksgiving.

Harvest Lunch

This will also take place on 16th October in the Village Hall at **1.00p.m. for 1.30p.m.** Tickets are £6.00 (£3 for children and senior citizens) and are available from Jonathan Calvert, Christopher Angeloglou, Joan Randell, Allan Nash, Gwen England, and Sue Dodds-Smith. Come and enjoy a good lunch and hospitality.

Church Wall

Many villagers will have noticed that we are undertaking repairs to the churchyard wall. The wall had become a danger to our neighbour and rectification could not be delayed. The cost of the repair is £9,700 and we are, therefore, in the process of fundraising in order to meet this cost. We are asking if villagers will **"buy a stone"** at **£5.00 per stone**. There will be a plan of the wall displayed in the Village Hall and you can either enter your name on a stone and a member of the PCC will collect the money or contact any of the above and they can insert your name on the wall for you.

We do hope you will be able to help.

A Catholic priest, a vicar and a rabbi were discussing when life begins. The Catholic priest said: "At the moment of conception is when life begins." The vicar said: I don't think so, it's when the baby's born and they cut the umbilical cord, that's when life begins. The old rabbi shook his head and said: "You're both wrong. When the children leave home and the mortgage is paid THAT'S when life begins"

PARISH COUNCIL

PAM LONG

A reminder to all villagers that we are holding an Open Evening on October 18th at 7.30pm in the Village Hall. Further details will be delivered separately. We are also happy to welcome anyone who is interested, to attend our Parish Council meetings, the dates and agendas of which are always displayed in advance on the bus shelter.

We are very grateful to all those who helped us with the clearing of the playing field. We think that it has improved the appearance tremendously, and has certainly made the play areas much safer. Many thanks, and we hope to see you again in the Spring for our next session.

A request to anyone whose property adjoins a footpath. **Please would you prune any low branches** as the darker evenings are making it quite difficult to see them and this can be dangerous for walkers and people with poor vision.

Thank you.

MISCELLANEOUS

SCALDWELL PARISH TRUST And SCALDWELL RELIEF IN NEED CHARITY

There will be a meeting of the Trustees of these charities in November and applications for grants will be considered then.

The trustees of the Parish Trust may apply the income of the trust 'as they think fit for any charitable purpose for the general benefit of the inhabitants of Scaldwell'. Donations have been made in the past towards such items as the upkeep of the village hall or to fund the purchase of items for the village societies like the choir or the keep fit group.

The income of the Relief in Need Charity is to be applied to the relief in need of persons resident in the parish by making grants of money or by paying for items or services. In the past grants have been made to individuals when they have financial problems and any surplus has been used by making Christmas gifts to pensioners and other deserving cases.

Please will all those wishing to apply for grants submit their applications to me before the end of October. All

applications to the Relief in Need Charity will be kept confidential to the Trustees.

Allotments

We have recently had a problem with garden and other waste being dumped on one of the allotments behind the churchyard. Please note that none of these allotments at the rear of the churchyard is vacant. It is very annoying for the allotment holders to have to clear up someone else's rubbish. Please dispose of your own waste on you own property.

Alison Goodenough.

GARDEN FIRES

Before lighting a garden fire. **Please consider two important things.**

1. Could not the rubbish you are burning be put in your green bin for recycling. Especially cardboard.
2. Consider you neighbours. Are their windows open/washing out. A courtesy call to them to advise what you are going to do would be nice!

SCALDWELL CHARITY

Kath Frankland has announced her retirement as a Trustee and Chair of the Charity. The Trustees would like to thank her for her many years of dedicated service.

In future all applications for grants should be addressed to
