Scaldwell Parish Council held its AGM followed by the Annual Parish Meeting on Wednesday 18<sup>th</sup> May. At the AGM, Eugene O'Leary and Pam Long were re-elected as Chair and Vice Chair for the coming year. Council also received the annual accounts for year ending 31<sup>st</sup> March 2016 and all is in order. Thank you to our Clerk, Alicia, for preparing them.

The Parish Council welcomes two new councillors, Phil Purcell and Matt Wharton and offers a very big thank you to the councillors who have stepped down: Jenny Lewis, Annie Curtis, Michael Alcock, and Joan Randall who, between them, have given almost 50 years of service to the village. There are two places left on the council and if any one is interested in joining we will be looking to co-opt later in the year.

At the Annual Parish Meeting the Council's annual report was read out, a copy of which accompanies this newsletter. Reports which had been received from the various community and charitable organisations in the village were also read out; thank you to all who submitted their annual reports.

The issue of inconsiderate parking, particularly on the High Street and Old Road was raised again. Please may we ask fellow villagers to be considerate and not to park wholly on the pavement as, apart from being a hazard for pedestrians, it is also causing visibility problems for some villagers exiting from their driveways.

The next Parish Council meeting will be on Wednesday 20<sup>th</sup> July 2016 at 7.30pm in the Village Hall. All parishioners are most welcome to attend

To get real enjoyment out of a garden, put on a straw hat, dress in old clothes, hold a trowel in one hand, a cool drink in the other and tell the man where to dig.

### **Neighbourhood Watch**

Fraudsters are targeting members of the public who are expecting to make a payment for property repairs. The fraudsters, via email, will purport to be a tradesman who has recently completed work at the property and use a similar email address to that of the genuine tradesman. They will ask for funds to be transferred via bank transfer and once payment is made the victims of the fraud soon realise they have been deceived when the genuine tradesman requests payment for their services.

#### **Protect Yourself:**

- Always check the email address is exactly the same as previous correspondence with the genuine contact.
  - For any request of payment via email verify the validity of the request with a phone call to the person who carried out the work.
  - Check the email for spelling and grammar as these signs can indicate that the email is not genuine.
- Payments via bank transfer offer no financial protection; consider using alternative methods such as a credit card or PayPal which offer some protection and avenue for recompense.

#### **ALSO**

Fraudsters are texting members of the public offering a tax rebate. The text message contains a link to a website and requests to provide personal information, such as bank account information, to claim the nonexistent rebate.

#### **Protect Yourself**

- Don't click on web links contained in unsolicited texts or emails.
- Never provide your personal information to a third party from an unsolicited communication.
- Obtain the genuine number of the organisation being represented and verify the legitimacy of the communication.
- HMRC will never use texts or emails or tell you about a potential rebate or ask for personal information.

There have also been reports of equipment being stolen from sheds so do make sure your all your outhouses containing valuables are locked.
