Our sympathy goes to Betty King and her family on the death of Robbie after five years of suffering. He was a pillar of our church and has been sorely missed for his presence, knowledge and wisdom.

Our sympathy also goes to Margaret Davidson and her family on the very sudden death of both John and Margaret Mackie within a week of each other. A double shock is a lot to bear.

AN APPEAL LAUNCH for funds to help the repair and restoration work needed to be undertaken on our 13th century village church is to be held at the Village Hall on Sunday 26th April at 10.30am.

Please come along and support this appeal and see how fund raising efforts will progress, and how previous restoration work on the church has been successful. Tea and coffee will be provided.

It is also hoped on this occasion to make a presentation to Bert Chapman who is retiring as our organist after over 60 years of service, we shall miss him.

PARISH COUNCIL - Alison Goodenough

As I write this, the new play equipment is being set up on the Rec. We hope all the village children will enjoy and value it. The Parish Council would like to thank all the village Societies & Charities who contributed to the cost of the equipment. Particular thanks are also due to Jack Dodds-Smith who has co-ordinated & organised the project with the able assistance of Pam Long, Paul Egerton and many others.

At the last meeting of the Council Margaret Alcock kindly volunteered to take over as Co-ordinator of the Neighbourhood Watch Scheme. We hope the task won't be too onerous.

Councillors were saddened by the recent death of Robbie King after a long illness. As Chairman of the Council he worked hard for the village for many years and his contribution will not be forgotten.

Elections are now due for all seats on the Parish Council & nomination papers are available from me. If you would like to stand, wish to nominate someone or just want more information on involvement please have a word with me. If there are more than 7 candidates then a formal election will be held on 7th May and the costs of this will be met by the Parish Council. If there are 7 or less nominees, then they will be automatically elected.

During May we shall be holding the Annual Parish Meeting. The date for this will shortly be fixed and publicised on the noticeboard.

1992 TENNIS SEASON - Judy Patchesa

Just a reminder that subscriptions will be due for renewal on the 1st May 1992. We are pleased to be able to say that the fees remain unchanged because we have enjoyed such tremendous support from the village in our first years.

Mr. Saunders has kindly agreed to lend us his barn once again for our major fundraising event which will be as in previous years - a Barn Dance - date June 20th. Tickets price £6 adults and £3 children. Further details later.

Last season there were one or two problems on court where rules were not strictly adhered to and we would appreciate it if parents would remind their children to respect the facilities at all times.

We look forward to another year of good weather and enjoyable tennis.

SCALDWELL TENNIS CLUB - Paul Egerton

A new tennis season is almost here and with it the promise of warm, sunny days. Once again a number of tournaments are planned beginning with an American Mixed Doubles in May. The mens and ladies singles leagues will again be organised although the mens may well be reduced in size this year depending on the number of entries. It is also likely that one or two friendly matches will be arranged against other clubs - details to be announced later.

All players, past and present, will be most welcome at all our events this season - please feel free to enter the tournaments which are designed to cater for all levels of ability. Enjoyment is the key!

Coaching sessions for children are being planned for the early part of the season - all interested should contact Elaine Howard (880210) or Sue Egerton (880066); as soon as possible, please.

The booking diary is now in place in the box on the court gate - please remember to observe the booking rules. Enjoy your tennis!

SCALDWELL FOOTBALL CLUB - Paul Egerton

The under 14's football team is now thriving and competing in a 4 club division of the Northants Ninety Two Youth League until the end of the season.

A capacity crowd of 29 turned up for the boys first ever home match against a team of giants from Silverstone, and in a thrilling end to end match, the Scaldwell boys narrowly went down 4-3 despite a magnificent hat-trick from Simon Howard. Size and age has subsequently proved to be against us in other matches as all other teams are considerably older and bigger on average.

Despite this, the boys have shown tremendous spirit and enthusiasm and no little skill and several of the team show a high degree of promise for the future. It is no surprise that First Division Club Oldham Athletic has had a scout at all our boys games!

We currently have around 14/15 boys in the club and obviously only 11 players can play each week. With league matches generally involving opposition which is older and stronger, the younger members of our team can only be used sparingly. However it is hoped to organise a few friendly matches to ensure that everyone gets the opportunity of a game.

To round off the season we are planning to hold a footballing spectacular - THE SCALDWELL LADS v THE SCALDWELL DADS. Dads will be approached (press-ganged) shortly to check their availability for what undoubtedly is going to be a high pressure match with much at stake. Tickets for this event go on general sale shortly - don't miss it! After match drinks and snacks will be available in the Scaldwell Club culminating in the seasons award presentations to the boys. The date for this not-to-be-missed occasion will be announced shortly.
