**Stalls on The Green**

Stalls on The Green were very successful even though lots of our usual customers were on holiday. Takings were bolstered, however, as we attracted quite a lot of passing trade. We made £308.70 of which the Bottle stall made £90. Many thanks to Chris and Brian and to all those who donated, bought and helped. Many of the items that were not sold were donated to Oxfam, who were very grateful.

**Dick Randell 19.06. 1933 – 14 09 2004**

Our sympathy and thoughts are with Joan and her family on the death of her husband Dick. Dick Randell was Church Warden for a number of years and was greatly missed when he had to retire from that post due to ill health. A service of celebration for the life of Dick was held in the Church on Wednesday, 22<sup>nd</sup> September. The beautifully decorated Church was filled to capacity to join Joan and her family in remembering a much loved husband, father, brother and friend.

Thank you for all the kind letters and cards of sympathy we received and for all the love and support given over recent years. It was all very much appreciated.
