We have been asked by the Police to make all Parishioners aware of a recent distraction burglary that took place in Northampton by a thief who gained access to a property by pretending to investigate a reported gas leak. There have also been cases of 'rogue builders' operating in the area who are particularly preying on the elderly and vulnerable. Please be vigilant and report any concerns or suspicions to the dedicated doorstep crime hotline on 0345 2307 702.

It has been brought to our notice again, that there are problems with a stray dog roaming around the village, depositing its business on the pavements or in gardens. This is causing

much distress, and is also a serious health hazard. Please would all dog owners ensure that their pets are kept securely within their property and not allowed to wander freely around the village.

The next Statutory meeting of the Parish Council will be held on November 25th at 7.30 pm in the Village Hall. We welcome all parishioners to attend our meetings, and to put forward any questions or comments. Please see the Village Notice Board on the bus shelter for details, or alternatively, see our website:

### SCALDWELL VILLAGE HALL

The Village Hall is, at the moment, running at a loss and we must therefore endeavour to raise funds.

With the success of the Christmas Cards last year we have decided to sell Calendars and cards again this year. If you have a photograph that could be used in either the calendar or card please email them to [michael@3-di.co.uk](mailto:michael@3-di.co.uk). We can't guarantee they will all be used but we know that there are talented photographers in Scaldwell and we are sure they have some wonderful photos. So remember to **buy your 2010 calendar from Scaldwell Village Hall this year.**

As usual we will be running the '100 Club' and details will be circularised at the end of November. We do ask as many villagers as possible to participate as this is our main fund raising event of the year and is a vital part of our income. Many of us have enjoyed events in the hall this year and as with all buildings we have to budget for decorating and ongoing repairs. So please, please help by returning the '100 Club' form, thereby ensuring the continuance of a much needed village amenity.

### SCALDWELL CLUB

The Northants Touring Arts event "The Lady Loves Jazz" on Saturday 19<sup>th</sup> September was a complete sell out - 50 tickets sold and every single table in the Club was used. It was great to see so many people from Scaldwell at the event as well as those from further afield. Thanks should go to members of the Committee who worked as a team to ensure that the event was a resounding

success as well as to all those who supported the Club by purchasing their tickets.

## MISCELLANEOUS

### First Annual Horticultural Competition

This was very well supported and the prizes consisted of :

#### **Best kept allotment**

- 1st prize - Cec Judge  
2nd place - Matt Wharton

#### **Most improved allotment**

- 1st prize - Chris Haywood  
2nd prize - Matt Wharton

#### **Special category for best kept/most improved allotment**

- Awarded to - Matt Wharton

**Tallest sunflower** - Betsy May

Three were individual prizes for various vegetables, jams, cakes and preserves - far too many to list (apart from Sarah Kendrick's melt in the mouth chocolate cake).

It was nice to see the imaginative children's miniature gardens and I hope that next year we can see more of the village children entering this section.

The day was rounded off with a Bar-B-Q on the village green that, again, was extremely well supported and took me back a few years.

I would like to thank all those that supported the day, either by entering the various classes, or just joining in the fun. Special thanks must go to Harry Darby who accepted the office of judge for the day and made sure most, if not all, of those who entered came away with a certificate or two.

I look forward to a bigger and better show next year so as the nights draw in you might want to start thumbing through the seed catalogues to find the vegetables and flowers that might be prize winners next year.

### **SCALDWELL PARISH TRUST**

**And**

### **SCALDWELL RELIEF IN NEED CHARITY**

There will be a meeting of the Trustees of these charities in November and applications for grants will be considered then.

The trustees of the Parish Trust may apply the income of the trust 'as they think fit for any charitable purpose for the general benefit of the inhabitants of Scaldwell'. Donations have been made in the past towards such items as the upkeep of the village hall or to fund the purchase of items for the village societies like the choir or the keep fit group.

The income of the Relief in Need Charity is to be applied to the relief in need of persons resident in the parish by making grants of money or by paying for items or services. In the past grants have been made to individuals when they have financial problems and any surplus has been used by making Christmas gifts to pensioners and other deserving cases.

Please will all those wishing to apply for grants submit their applications to me before the end of October. All applications to the Relief in Need Charity will be kept confidential to the Trustees.
