**Church News**

Annual Parochial Church Council Meeting was held on the 21<sup>st</sup> April, when Dave Keir and Jackie Anstice were elected Church Wardens. Many thanks go to them for all their work for the Church. Dara Masterson-Jones was elected Secretary and Sue Dodds-Smith Treasurer.

Christian Aid. Again, the amount raised will be in the next Newsletter but thanks to all who gave and all who collected and to Jane Hensman for the organisation of the street collection.

**Church Repairs**

The PCC have obtained grants totalling £10,000 so we are very pleased that later in the year repairs will commence on the Church Tower and roof. Proceeds from the Art & Craft Exhibition and Open Gardens will help to make this work possible. Many thanks to the villagers who are giving their time, efforts and help with the forthcoming weekend. As always, your help is very much appreciated.

The Parish Council met on Wednesday 17<sup>th</sup> May. At 7pm, the Annual Village Meeting (formerly known as the AGM), was held at which the chairman's report on the past year was presented; a copy of this appears as a supplement in this newsletter. Council also received annual reports from the various clubs/ associations within the village as well as from our District Councillor, Fabienne Frasier-Allen. Thank you to all who submitted their reports.

At 7.30, we held the Council's Annual Meeting at which Eugene O'Leary was re-elected as chair and Phil Purcell was elected as Vice Chair. Council would like to thank Pam Long for her enormous contribution to Council as the vice chair over these past few years.

Council also appointed representatives to the various societies and clubs within the village. Details of who was appointed can be found in the minutes, which will appear on the Parish Council notice board as well as on the village website.

The annual accounts for the year ending March 2017 were approved and a copy is included in this newsletter.

Updates for the various planning applications submitted in the past couple of months can be found at <https://www.daventrydc.gov.uk/living/planning-and-building-control/> Click on the link to planning applications and follow the instructions.

May I remind villagers that when a planning application is submitted to Daventry, they notify neighbouring properties of the planning applications as well as displaying a Notice as near to the property as possible. The Parish Council will always hold a meeting to discuss planning applications - we usually have to respond within 21 days. We are obliged to give three working days notice of the meeting which we display on the PC Noticeboard on the bus shelter and on our website. If anyone requires information about planning applications, please feel free to contact the Clerk or any member of the Parish Council. Details above.

As you will have noticed, one of the Beech trees on The Green has been removed. Council is considering what to plant in its place. We are also going to repair the damage done to various parts of The Green through inconsiderate parking. This work will start shortly.

Please note the new village website is [www.scaldwellvillage.org](http://www.scaldwellvillage.org) and not the address wrongly given in the last newsletter. Apologies for any inconvenience this may have caused. All Council information will be found under the Council link on the village website.

The next Parish Council meeting will be held on Wednesday 5<sup>th</sup> July at 7.30 pm in the village Hall. All parishioners are most welcome to attend.

## **SCALDWELL CLUB NEWS**

A big thank you to everyone who attended the Curry evening on the 29<sup>th</sup> April. It was a great success and was enjoyed by all 32 who attended. We haven't held a food evening for some time at The Club, but looking at the number of attendees and listening to the positive feedback, I don't think it will be too long until we organise another.

Following the Club's AGM (held on the 11<sup>th</sup> May), there have been some changes to the committee. Paul and Jackie Anstice have both stood down after serving three years in their roles as Chairman and Treasurer. The Club would like to thank them both for their services over this time. The current committee comprises of Nick Masterson-Jones (Chair), Helen Johnson (Treasurer), Tim Simons (Secretary), Nev Riseley, Martin Neale, Barry Sheldon and Dave Keir. This leaves two vacancies, so if anybody is interested in joining the committee, please contact one of the above or come along to our next meeting to be held on June 12<sup>th</sup> at 8.00pm in the bar.

The Club was saddened to learn of the recent passing of John Harley. John was a long term supporter of the Club since its inception and dedicated a lot of his time serving on the committee. He will be missed greatly by us all.

Future events under consideration by the committee are a Family themed food evening and an outdoor summer event. Look out for further details on the Scaldwell Club pages of the village website [www.scaldwellvillage.org](http://www.scaldwellvillage.org)

Aside from the events, don't forget the Bar is open every week on Thursday, Friday and Saturday nights and Sunday lunchtimes.

Tim Simons  
Secretary

# PARISH COUNCIL:

## Chairman's Annual Report May 2017

This is my third annual report as Chairman of Scaldwell Parish Council. The role of the Council is to represent the needs of the village and to try to improve quality of life. My report is a summary of our activities during this past year but should you wish to learn more about the role and work of the Council, further details may be found on the village website.

### Meetings and general activities

The Council held 6 statutory meetings during the year including the Annual Parish Meeting. In addition, we held a number of further meetings throughout the year to consider various planning applications. All our meetings are held in the Village Hall and we welcome all parishioners to attend. We always provide an opportunity for questions, concerns or comments to be raised.

We are very grateful to our District Councillors, Cllr Fabienne Fraser-Allen and Cllr Kevin Parker who attend meetings whenever they are able and are a vital link for us with the District Council. At a county level, we extend our gratitude to our County Councillor, Cecile Irving-Swift.

After an uncontested election in May 2016, we welcomed two new Councillors, Phil Purcell and Matt Wharton which then left two vacancies which we filled by co-option in November when we welcomed Sally Thorne and Dudley Cross onto the Council. Our thanks to all those who expressed an interest in joining the Parish Council.

During the year, Alicia Schofield resigned as clerk to the Council in order to take up a new position elsewhere within the county. Council would like to express its deep gratitude to Alicia for her commitment and contribution to the successful and smooth running of the Council. In October 2016, we were lucky to appoint our new clerk, Lisa Callan.

One of our biggest challenges this year has been the provision/installation of superfast broadband. Although it has been a long and at times frustrating process, Gigaclear has finally completed the installation of

superfast fibre-optic broadband to all premises within the village. We hope that those villagers who have signed up to superfast broadband are satisfied with the outcome.

Council continues to set aside monies for street lighting, as well as for the installation of a defibrillator and work on trees within the village. However, through careful planning and budgeting we have been able to keep the increase of the parish element of your council tax to a minimum.

In last year's Report, I stated that, as a result of producing a 5-year action plan, we formed a Highways working party which looks into ways of improving traffic management and parking related issues within the village. As a result, road markings have been highlighted

on both the Old and Brixworth entrances to the village. Members of the working party have met with the Police and Crime Commissioner as well as with the County Highways Department looking at possible and realistic solutions to the problems faced by increased traffic flow and inconsiderate and at times, dangerous driving through the village.

Early this year, we approached BT with the intention of acquiring ownership of the Telephone booth to enable the installation of a defibrillator. We are in the final stages of completing the acquisition and are very grateful to County Councillor, Cecile Irving-Swift for awarding us a grant towards the cost of installing the defibrillator

During the year, Martin Neale, of The Old Fox, re-designed and offered to host a new village website. He has also put the village on Facebook. Thank you, Martin! Also, due to the efforts of Councillor Phil Purcell and our clerk, Lisa, all the Council's documents and files have now been transferred onto the new website.

We also supported the Daventry lead "Paint Means Poo" campaign.

The Council has also stayed abreast of developments within Brixworth regarding their Neighbourhood Plan and we shall review our own position in the coming months.

### Playing Field

Our close working relationship with the 'Friends of the Playing Field' group continues to thrive ensuring the playing field remains well kept and maintained for the benefit of all. Special mention and thanks to Georgina Carter, Michelle Wharton and Stella Simons from the group, who devote so much of their time to the upkeep of the playing field and for co-ordinating the fundraising efforts.

The 'Friends' held tidy days in July, October and March. Each morning was well attended by a great team of volunteers who helped with the gardening, sterilising the sand pit, turning the bark and pruning the shrubs. The volunteers were rewarded for their hard work with bacon sandwiches kindly provided by Scaldwell Men's Breakfast Club and expertly prepared by Tom Joyner. Thank You!

The Council is sincerely grateful to all who help at the playing field.

### Membership and representation

The Council remains a member of the National and County Association of Local Councils and our Clerk is a member of the Society of Local Council Clerks. These organisations offer help and support to Clerks and Councillors and are invaluable in keeping us up to date with developments and legislation.

As a village with a conservation area and with increasing development within the County, we are also members of CPRE (Campaign to Protect Rural England) and ACRE (Action with Communities in Rural England). We also have representation on the Village Hall Committee, the Parish Trust, the Relief in Need Charity, the Thomas Roe Foundation and Neighbourhood Watch. We would like to thank our Footpath Warden, Phil Purcell. We are also very grateful to Dylan Lewis, our former Tree Warden, for all the help and advice he has given to Council over the past few years.

### Finally

I would like to thank my fellow Councillors for all their hard work during the past year and especially to Pam Long, our Vice Chair, for all her support and commitment. I would also like to express my sincere gratitude to our new Clerk, Lisa whose efficiency, skilful organisation and patience has helped both me, in my role as Chairman, and has been invaluable to the smooth running of the Council.

Eugene O'Leary  
Chairman. Scaldwell Parish Council.
